

Resolution 14-117

RESOLUTION TO AUTHORIZE THE EXECUTION OF CHANGE ORDER 1 TO CONTRACT FOR THE PURCHASE OF BIOXIDE

WHEREAS, the Rockaway Valley Regional Sewerage Authority (RVRSA) operates a temporary system leased by the RVRSA from Evoqua Water Technologies LLC (Evoqua) and located in the Borough of Rockaway, Block 15, Lot 5, along Beaver Brook, with access roads at Stickle Avenue and Beach Street. Bioxide solution is used as part of the Odor and Corrosion Control System. The Odor and Corrosion Control System is an integral component of RVRSA's System and assists in the prevention of corrosion in the trunkline and is used to attain compliance with State nuisance laws and the Air Pollution Control Act, which prohibits emissions into the outdoor atmosphere of air contaminants in such quantities and duration as are, or tend to be, injurious to human health or welfare, animal or plant life or property, or would unreasonably interfere with the enjoyment of life or property; and

WHEREAS, by Resolution 14-062, the RVRSA authorized the extension of the RVRSA's existing lease of the Odor and Corrosion Control Equipment until November 15 and for supplying Bioxide to the RVRSA at a cost of \$2.39 per gallon. RVRSA anticipated that it would utilize approximately 7,000-gallons a month for the 4-month period, resulting in a cost of approximately \$66,920.00; and

WHEREAS, the need for the Change Order arises from unforeseen circumstances and is due to the increased presence of hydrogen sulfide in the interceptor, necessitating that the RVRSA utilize a greater amount of Bioxide than anticipated by the RVRSA; and

WHEREAS, the Authority is satisfied that the additional Bioxide was justified

due to unforeseen circumstances which arose during the performance of the contract and which could not be reasonably effectuated by a separately bid contract without unduly disrupting the work and imposing adverse cost consequences on the Authority; and

WHEREAS, funds are available therefore from line 01-507-030, Trunkline Maintenance and Supplies.

NOW, THEREFORE, BE IT RESOLVED by the Rockaway Valley Regional Sewerage Authority as follows:

1. The Authority hereby approves Change Order No. 1 in the amount of \$13,522.52.
2. The Executive Director is authorized and directed to execute an amendment to the contract with Evoqua Water Technologies LLC, with offices located at 2650 Tallevast Road, Sarasota, Fl 34243, in the foregoing amount.
3. This Resolution shall take effect as provided by law.
