Re: 2016 Labor Rate

In response to your request for a quote for hourly rates, we are submitting the following for your consideration

Daily rate (7:00AM to 3:30PM) -----\$ 88.00 per hour
Nights and Weekends ----- \$132.00 per hour
Holidays ----- \$176.00 per hour

Travel Time

We charge the hourly rate in effect, for travel to your facility (one direction only).

A single mechanic will do most service & repair work. Some summertime boiler maintenance and rooftop air conditioning work will be performed using a two-man crew where necessary.

We have a man on standby 24/7 to perform emergency services. Call our regular phone number and if it is after hours you will be instructed how to contact him.

(Note) Due to present NJ prevailing wage laws there are no helpers allowed, therefore there are no helper rates.

Respectfully

Richard Hobbie
