

RESOLUTION AUTHORIZING SUBMISSION OF
GRANT CONDITION WAIVER APPLICATION FOR
150 Princeton Avenue, Dover, New Jersey
Block 317, Lots 36 & 37

WHEREAS, Eric Nielsen is proposing the construction of a single family three-bedroom residence at Block 317, Lots 36 & 37 (the "Property"), whereon confirmation from Environmental Engineer Nick Wirth, PE of the Region 2 EPA was received on 9/8/26 that an ESA Waiver is required for this project; and

WHEREAS, one of the conditions imposed by the United States Environmental Protection Agency (USEPA) upon the grant for the construction of the RVRSA wastewater treatment plant prevents the connection of any structure within wetlands (as delineated on maps approved by USEPA) and upon parcels wherein wetlands are subsequently delineated to the RVRSA treatment facilities for a period of 50 years from November 29, 1983; and

WHEREAS, the Property is located within the RVRSA Sewer Service area; and

WHEREAS, the Town of Dover is required to endorse the request for a grant condition waiver; which it has not done yet; and

WHEREAS, RVRSA is desirous of facilitating the application to USEPA for a grant condition waiver.

NOW, THEREFORE, BE RESOLVED by the Rockaway Valley Regional Sewerage Authority, as follows:

1. The Executive Director is hereby authorized and directed to submit the Grant Condition Waiver Application from Eric Nielsen, 16 Skyview Drive, Sparta, NJ to USEPA for disposition.
2. This approval is expressly conditioned upon compliance, by the Applicant, with any relevant provisions of the Highlands Preservation and Planning Act or any rules or regulations issued pursuant thereto, if any.
3. That this endorsement is not to be construed as any future approval, nor any commitment for future approval.

4. This endorsement shall not supersede the requirement to obtain other approvals from the RVRSA and other governmental entities having jurisdiction before the premises are connected to the RVRSA system including, but not limited to, the approval of a TWA-1 sewer extension application if applicable, issuance of a permit to connect and the inspection of the entire sewer line by the RVRSA.
5. This approval is subject to the payment of the appropriate fees and/or charges of the RVRSA or any other governmental authority having jurisdiction.
6. This action shall not constitute a representation by the RVRSA that gallonage capacity shall be available or shall be reserved for this project at the time of issuance of a favorable mapping revision and/or a grant condition waiver by the USEPA.
7. This approval is conditioned by approval of the Town of Dover.
